

Use HTML, and Internal CSS to replicate this article as closely as possible. The paragraph text used is Lorem Ipsum and doesn't need to be the same. You can generate your own Lorem Ipsum text by going to: <http://www.lipsum.com/>

[Links to an external site.](#)

(Links to an external site.). When you are on the Lipsum website, scroll down to the middle of the page and you will see the link to generate paragraphs. Once you have created them, copy the paragraphs and paste them into your paragraph tags.

In order to receive full points, there must not be any unused files in git and the styles must be internal.
